Kandy City Tour

Kandy-a major tourist destination-is also known as the cultural capital of Sri Lanka. Nestled in the hills at an altitude of 488 m, it is located at a distance of 115 km from Colombo. Kandy has a rich history. It was originally known as Senkadagala pura after a hermit named Senkada who lived there.

Madu River is located in the south of Sri Lanka near Galle. The water of the river is dotted with small islands and the banks are all covered with lush mangrove forests that are home to dozens of incredible animal species. Enjoy hundreds of vibrant tropical birds and a few crocodiles if you're lucky enough. These creatures are pretty rare and don't like crowds.
