Sightseeing

Athens

Athens is the capital of Greece. It was also at the heart of Ancient Greece, a powerful civilization and empire. The city is still dominated by 5th-century BC landmarks, including the Acropolis, a hilltop citadel topped with ancient buildings like the colonnaded Parthenon temple. The Acropolis Museum, along with the National Archaeological Museum, preserves sculptures, vases, jewelry and more from Ancient Greece.

Mykonos

Mykonos is an island in the Cyclades group in the Aegean Sea. It's popularly known for its summer party atmosphere. Beaches such as Paradise and Super Paradise have bars that blare thumping music. Massive dance clubs attract world-renowned DJs and typically stay open well past dawn. Iconic landmarks include a row of 16th-century windmills, which sit on a hill above Mykonos town.

Santorini

Santorini is one of the Cyclades islands in the Aegean Sea. It was devastated by a volcanic eruption in the 16th century BC, forever shaping its rugged landscape. The whitewashed, cubiform houses of its 2 principal towns, Fira and Oia, cling to cliffs above an underwater caldera (crater). They overlook the sea, small islands to the west and beaches made up of black, red and white lava pebbles.
